Until the area is activated through a walking path and garden improvement (currently 80% funded!), it would be helpful to plan on a CSLA clean up operation monthly - optimistically I think that means only two more clean ups.

Hi Taylor,

We conducted a major cleanup operation at that location on October 25th. Please let us know if your office would like to schedule another major cleanup and we'll work with Rec & Parks to do so (it's technically RAP property).

Thanks.

Probably another encampment we should prioritize. This is an ongoing issue at Frederick and Rose in Venice. Substantial encampment immediately adjacent to homes.
